The Gold Coast Branch of the MTAQ Inc. encourages and fosters musical interest and talent throughout the Gold Coast region. This is achieved by arranging recitals, workshops and master classes for students and teachers. Providing these opportunities for musicians of all ages would not be possible without the generous support of local businesses and members of the community.

One of our major events is the Annual Composers Competition being held on Sunday 16 May 2010. Students of all ages throughout Australia enter original compositions, covering a wide range of instruments, voice, and ensemble combinations. These are then performed live for an audience (or recorded for those who cannot attend), and adjudicated by a visiting Australian composer. Some recipients of past awards have continued a musical career in composition or performance.

The MTAQ Inc. Gold Coast Branch offers trophies for local sections and modest cash prizes for open sections. In order to continue with this worthy event, we need financial support for prizes, facility hire, adjudicator's fees and promotion.

Should you wish to sponsor our competition this year, amounts of \$150 or more will enable you to advertise in the Competition Brochure and Program, plus you will receive free advertising in the MTAQ Inc. Gold Coast Branch newsletter for the following 12 months. You are also welcome to display brochures at the event. Donations of any amount are greatly appreciated and will be mentioned throughout the event. Additionally we will include your add and web-link in our website www.composerscompetition.com.au.
